Anna: Hi, Mark! What are you doing?

Mark: Hi, Anna! I'm reading a book. What about you?

Anna: I'm cooking lunch. I like cooking on weekends. What do you usually do on weekends?

Mark: I usually go for a walk or play football with my friends. But today, I'm staying home because it's raining.

Anna: Oh, I see. The weather is really bad today. It's cold and rainy. Do you like this kind of weather?

Mark: No, I don't. I prefer summer when it's sunny and warm. How about you? What's your favorite season?

Anna: I love spring. The flowers bloom, and it's not too hot or too cold.

Mark: That's nice! By the way, are you coming to the park tomorrow?

Anna: No, I can't. I have to work tomorrow. I work as a teacher, and I'm busy on Mondays.

Mark: Oh, that's a lot of work! But do you like your job?

Anna: Yes, I do. Teaching is fun. It makes me happy when my students learn new things.
