

A Day in the Park

It is a sunny day. There is a big park near my house. The park has **many trees** and **green grass**. There are **two benches** next to a **small fountain**. The fountain has **clear water**, and sometimes, birds come to drink from it. In the middle of the park, there is a **playground**. The playground has **a slide** and **two swings**. The swings are red, and the slide is yellow.

There is a **woman** sitting on one of the benches. She has **short brown hair** and wears a **blue jacket**. She is reading a **book**. There is also a **man** standing next to her. He has **dark hair** and wears a **green t-shirt**. He is looking at his phone.

In the playground, there are **three children**. **One girl** is wearing **a pink dress**. She is playing on the slide. **A boy** is on the swing. He is smiling and wearing **blue shorts**. The third child is a **little boy**. He is running around, and he is wearing **a red cap**.

Next to the park, there is a **small café**. The café has **two tables** outside. There are **some people** sitting at the tables. **A woman** with **blonde hair** is drinking **a coffee**. There is **a man** next to her. He has **a black backpack** on his chair. They are talking and laughing.

Behind the café, there is a **bus stop**. There is **a big blue bus** waiting there. **One person** is getting off the bus, and **another person** is waiting to get on. The bus is going to the **city center**.

This park is very peaceful. I like coming here to relax. The trees are tall, and the air is fresh. This is my favorite place to spend time outside.
